BUSINESS MEMBERSHIPS

INVEST IN EDUCATION:

Investing in Osterville Historical Museum is investing in local history and helping to strengthen community relations. By becoming a member you will be providing benefits to your employees and clients.

Since 1931, the Museum's mission has helped to preserve Osterville's heritage for generations. Each year, the Museum provides learning experiences for more than 5,000 visitors. With a campus of almost two acres in the heart of the village, and three historic buildings that house its collections, the Museum is an important part of Osterville.

Take advantage of this opportunity to provide positive public relations and benefits to your community with these membership and sponsorship investments.
